

# *From Temptation To Salvation*

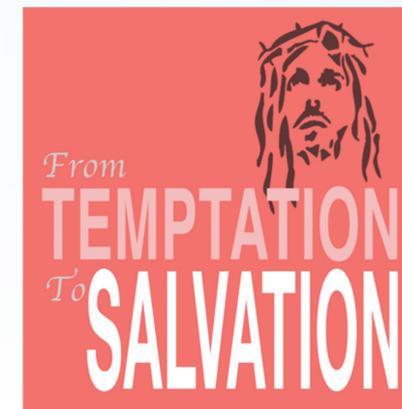

***Are You the first King to come down from His throne  
And spend 40 days in the desert alone?***

***Are You the first Man to tell me "do not fear"  
When trials, temptations or hardships are near?***

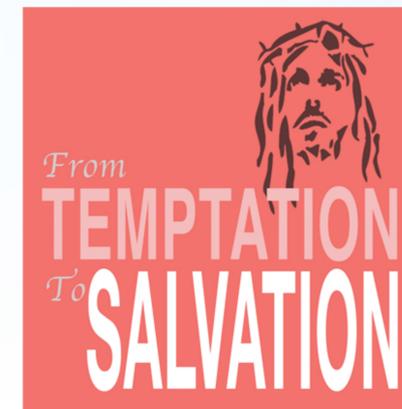

***Are You the first Father to go find His son  
When all of his life he rejected Your love?***

***Come take me O Lord and lead me to the tree  
Where mercy & grace will be showered on me  
Take me...***

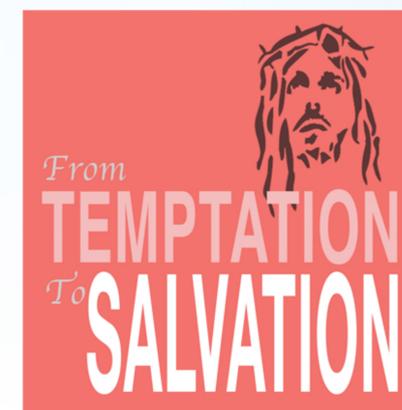

***From the mountain to the garden  
From Judea to Jerusalem***

***From the Prodigal Son to Judas  
From Hosanna to the Cross you went***

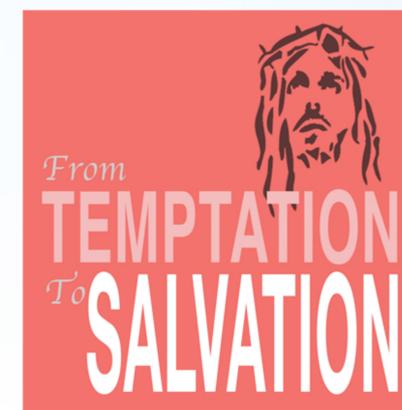

***From the Blind man kneeling down  
Praising you as the Son of Man***

***From Temptation to Salvation  
For the journey to Cross you came***

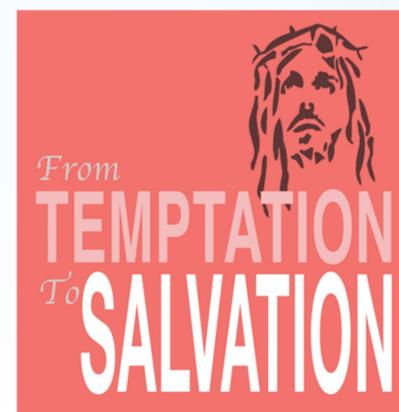

***Are You the first Jew to bring shame to Himself  
In order to see me alone by the well?***

***Are You the first God to have created man  
The very same man who would nail Your hands?***

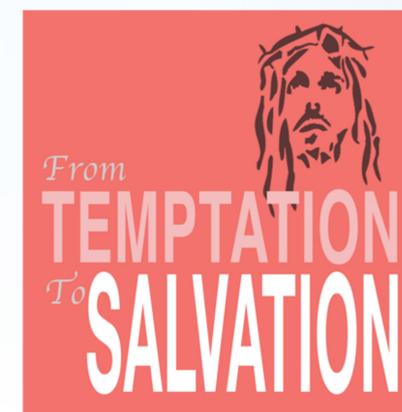

***Are You the first healer to come heal the blind  
The lame and the mute and the broken inside?***

***Come take me O Lord from the Pool in Siloam  
And I'll sing Hosanna through Jerusalem  
Take me...***

***From the mountain to the garden  
From Judea to Jerusalem***

***From the Prodigal Son to Judas  
From Hosanna to the Cross you went***

***From the Blind man kneeling down  
Praising you as the Son of Man***

***(From Temptation to Salvation  
For the journey to Cross you came) X2***
